

BCI

CENTRAL

WELCOME ON BOARD!

A black and white photograph of a construction site, viewed from above. Three workers wearing hard hats are visible. One worker is on the right, leaning over a metal structure. Two other workers are in the center, looking at a large sheet of paper, likely blueprints. The background shows a grid of rebar and wooden formwork. A large red vertical bar is on the left side of the image.

FuturArc Exchange & Exhibitions (FEX)

FuturArc has been a pioneer in leading the conversation on Green building and design in Asia since 2008. It is firmly committed to sustainable architecture and innovation.

As such, BCI Construction Network will be rebranded and be known as FuturArc Exchange & Exhibitions (FEX), a platform where architects, developers and manufacturers can gather in an informal setting to encourage knowledge-sharing and the exchange of ideas on the latest building technologies amongst industry professionals.
